*Best patio store ever!!!! There's something for everyone's taste and budget. Beautifully designed store, no clutter, you can walk around freely and really look at everything. The owners are a delightful couple who will go out of their way to help you navigate your selections. My husband and I went to the store just to see what products they had and we were so impressed with the store and the owners that we ended up buying all new balcony furniture.*

*My husband and I walked into the showroom, looking to make our lanai a real retreat. We met with JC. He was so incredibly friendly and creative and very helpful. He worked with us for a couple of hours not being pushy but being informative. He helped us to design the way we wanted our outdoor area to look. Delivery with Ron and Will went smoothly. They were incredibly professional when they came to deliver. They were very insistent on making sure everything was perfect. They took pictures. They were incredibly helpful with the questions that we had. They have an amazing selection of outdoor and indoor options. High-end beautiful things. The furniture from KB Patio will absolutely make your living outdoor space more of a vacation retreat. We spend so much time outside we want to feel like it's our own oasis.*

*We decided to expand our collection that we bought in 2021 and add another three cushion sofa. My husband called on Friday morning. The salesman remembered us, pulled up our sales order and then checked with the warehouse. He called back within 10 minutes and said it could be delivered the next day! And by 1:15 today, we had our sofa, delivered by two very nice gentlemen. And it matches EXACTLY what we bought in 2021!!! I would not go anywhere else for anything patio related.*

*We were on the hunt for new patio furniture. We wanted to check out the Polywood product line and went to KB Patio in North Naples. We were greeted by "JC" who showed us their floor models. We ended up purchasing a new sofa, two chairs, an ottoman, and three tables. It was a very pleasant shopping experience and JC was great. He explained everything and no pressure on us to buy. As an added bonus we received the items within 24 hours and everything was put on our deck and the sofa assembled. We couldn't be happier with our purchase. If you're looking for patio furniture, KB Patio should be your first stop!*

*We were searching for the right chaise lounges. We were not sure what we wanted and looked at several places. We purchased our outdoor dining set from Carl's and we really like it but knew that Carl's Patio had changed over. We thought there was no hope that any additional pieces that matched would still be available after five years. But, we decided to go to KB Patio at the old Carl's location. We met JC who immediately not only knew the set but took us over to it on the showroom floor! KB Patio carries the line, and JC checked the inventory and secured two of the last chaise lounges in the color of our dining set. We are more than pleased with JC's service. He is very friendly and gracious, too! The showroom is beautiful and open. We felt very comfortable the entire transaction. The chaise lounges were ready for us within two days. Thanks JC and KB Patio!!*
